The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the San Lucas Clean Drinking Water Project in fiscal year 2024. The entity to receive funding for this project is the County of Monterey, located at 168 West Alisal St., 1st Floor, Salinas CA 93901. The funding would be used to construct a new pipeline to tie into the Cal Water system on the east side of King City and deliver water directly to the community of San Lucas's water distribution tank. The project is an appropriate use of taxpayer funds because it would address persistent water quality problems for the small, disadvantaged community of San Lucas.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Zoe Lofgren
Member of Congress
